

## Available Online Training Resources

### ***GarnetCaptiveLossControl.com***

is a risk control web platform customized to give you the tools you need to:

- Train your staff;
- Communicate important safety information
- Enhance your overall risk control program

To create a login and password, simply go to [www.GarnetCaptiveLossControl.com](http://www.GarnetCaptiveLossControl.com) and click on the link in the upper right that says “[Register here.](#)”

## What's Inside?

**Training Bulletins:** There are new bulletins available every month on the four topics listed below!

Safety—topics such as “Summer Safety Tips”

Human Resources—topics such as “Family and Medical Leave”

Environmental—topics such as “Combustible Dust

Health & Wellness—topics such as “Why Stretch?”

**My Favorites:** You are able to click and “Save as a favorite” on any of the bulletins you view. This allows you to come back to this link in the future and view the library of articles you hand picked as favorites.

**Search Training Bulletins:** If you have a specific topic you are looking for, click on this link, type in your keyword (i.e. back, fmla, ergonomics) and be amazed at all the articles that are available for you to view and use!

**Document Library:** Within the growing library, you will be able to view Garnet specific quarterly newsletters and other Garnet specific resources as they become available.

**Online Training:** This provides you with available online training modules. If you see a topic you like, just click on the date and play! You can also use the modules to train your staff.

**If you need assistance, please contact:**
